

ADVANCE INFORMATION SHEET

I Need a Plan!

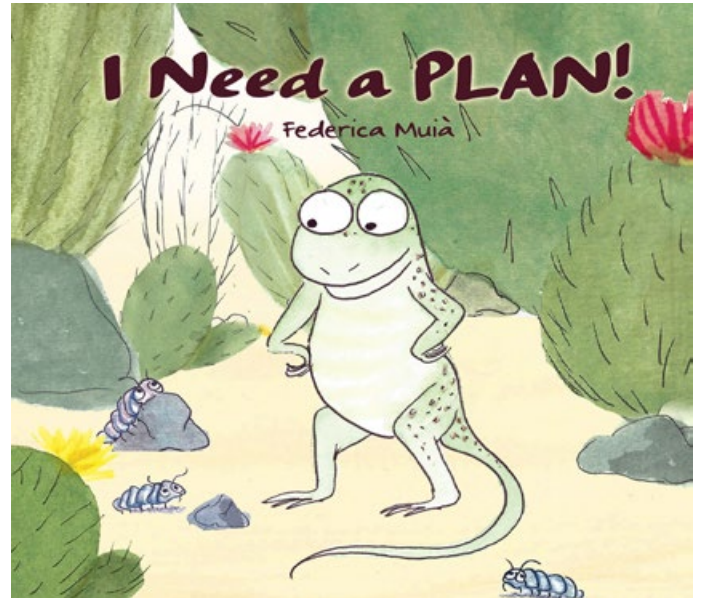

Federica Muià

An amusing story that teaches problem-solving through experimentation.

A little lizard is the only one who can't enjoy playing outside in the sunshine because he is prone to sunburn. To tackle his dilemma, he comes up with a plan, selects materials, prepares, then performs a series of experiments—showing that with perseverance and determination, any problem can be solved.

The Author-illustrator

Federica Muià is an illustrator from the small village of Ivrea in Northern Italy. She studied archaeology and anthropology at the University of Turin. She moved to Cambridge in 2014 to follow her dream of becoming an illustrator and she completed her MA in Children's Book Illustration in 2017. Travelling, drawing, and animals are her passions, which she combines in her stories.
